

# Autumn activity sheet

In Autumn our parks are filled with vibrant colours and wildlife. Go outside, explore and see what you can find.

## Go on a scavenger hunt

## 5 fun things to do

### Look

for a cloud animal in the sky

### See

leaves falling from the trees

### Feel

how smooth a conker is or how soft a feather feels

### Make

a picture with items from your scavenger hunt

### Hear

the wind in the trees

## Don't forget

- Wash your hands regularly
- Social distance
- Check with an adult before touching nature
- Please put your litter in the bin
