

# SPRING ACTIVITY SHEET 2

## The season of new beginnings

Spring has arrived across our 33 parks and allotments and the signs of spring and new beginnings are all around. Go outside, explore and see how many you can see.

### Birds

Many of the birds in our parks are starting to build a nest to lay their eggs ready for new life to hatch.

### Butterflies & Bees

### Blossom

Can you spot the  
**Signs of Spring?**

### Buds

Are beginning to appear on trees and plants

daffodil

tulip

### Flowers

Bringing splashes of colour

crocus

snowdrop

### Frogspawn

Frogs start to lay their eggs in ponds and lakes
