

About us

Urban Green Newcastle is a pioneering charity set up in 2019 to look after the city's parks and allotments. Our vision is for more people to enjoy and benefit from the beautiful open spaces in the city, and to ensure they are safe, welcoming and provide a great environment for wildlife and people which is valued by all. With support from core partners, Newcastle City Council, the National Trust and the National Lottery Heritage Fund, we are working to ensure a sustainable future for the 33 parks and over 60 allotments in our care.
